

Those Amazing Olympic Games, p. 260

1. Michael Phelps has won a total of 28 medals.
2. The age difference is 63 years.
3. Red is the colour that appears in both the Olympic rings and Canada's flag.
4. Answers will vary.
5. There are five Olympic rings. The rings are black, blue, green, red, and yellow.
6. These rings represent the five major regions of the world: Africa, the Americas (North and South America), Asia, Europe, and Oceania (Australia, New Zealand, and nearby islands).
7. Sample answers:

Competitiveness: If a person likes to compete with others, they are more likely to try their hardest so they can win.

Focus: If a person can concentrate on just one thing, they are less likely to be distracted by noises and other people when they do things, so they are more likely to do their best.

Drive: If a person has a strong urge to do something, they are more likely to do their best at their sport so they can win.
